

New Thrive! Park [Nelson, WI] – Open for Public Hiking/Walking
 Maps available @ Cleveland St./Christopherson Rd Entrance and www.ThrivePark.org
 Leave no trace. Please take out what you bring in.

11/2019

More information (downloadable map, photos, prairie restoration, description) @ www.ThrivePark.org

Thrive! Park is east of Highway 35 in Nelson (WI). Take Cleveland St. toward bluffs. As you enter woods, turn left on Christopherson Road. There is a parking lot on right to park. Park entrance and road/trail markings are just left of parking lot.

As shown on map, Park consists of hiking roads (dash-dotted lines) going along bluff side and back through valley. Also, there are several hiking trails (dotted lines) that go to restored bluff and prairie areas and can be accessed off the main hiking roads. Two loop trail sets, including Eagle Trail, can be accessed off main hiking roads.

Main parking area via Bluff Road (or Knob View Road) to Sisters and Lost Brother – Elevation change – About 425'. Distance – About half mile with elevation. Similar for main parking area via Valley Road to Sisters and Lost Brother.

Thrive! Park is a public park. No hunting or trapping since this is a park and wildlife safety area. No fires. No vehicles (motorized or non-motorized) except for handicapped access. Please don't trespass on Park neighbors' private land.

Responding to visitors' questions, Thrive! Center (home to GChris Sculpture & Thrive! Endeavor) is just outside Park's west edge. To visit, best to contact Chris first at GChris@GChris.com or 301-318-3760. More at www.GChris.org and www.ThriveEndeavor.org

Thrive! Park of the Village of Nelson and donated by Gary "Chris" Christopherson
